1993	22							Port Bldg					Port Bldg																													Scales	Tire Changer	Medical Eq (Low-Tech)																
1992	20													Pole Structures	Port Bldg																														Scales	Tire Changer	Medical Eq (Low-Tech)													
	Pole Structures					Port Bldg	Port Bldg									Scales	Tire Changer																															Medical Eq (Low-Tech)												

Please note: This is a general list of depreciable assets. Further detail or additional obsolescence may be observed and determined necessary on a case by case basis.
 This schedule does not include inventory items held for sale. To calculate value - use Historical Cost New by the Percent Good that corresponds to its Typical Life and Year Acquired
 (If the asset is older than the chart listed in a life, use the last percent posted).
