

# Quarterly Payments

Property owners with the Over 65, Disabled Person, or Disabled Veteran exemption on their homestead property qualify to sign up for quarterly payments.

## What does this do?

It will split the base tax amount for the current tax year into 4 payments. Each payment would be due on the following dates:

- January 31<sup>st</sup>
- March 31<sup>st</sup>
- May 31<sup>st</sup>
- July 31<sup>st</sup>

## What if I miss a payment?

Penalty & interest will only accrue on the amount that is past due, not the full amount of taxes due for the year.

## How do I sign up?

The bottom slip on the back of the tax statement can be signed and submitted to the Tax Appraisal District of Bell County or [click here](#) for an alternate form.

The owner holding the exemption must sign up every year that they would like to pay in installments. **You must sign up by January 31<sup>st</sup>.**
